& LANDSCAPING · SAGINAW, MICHIGAN

SINCE 1990

NOW HIRING

BUCKET TRUCK OPERATOR

EXPERIENCED · FORESTRY AERIAL LIFT

Experienced operator for forestry bucket trucks — trims and removals across mid-Michigan.

EXPERIENCE REQUIRED

CDL B STRONGLY PREFERRED

WE CERTIFY ON THE LIFT

HOME EVERY NIGHT

PAY RANGE

\$20–30+

/hour

Heinz Tree Service & Landscaping has served Saginaw and all of Michigan since 1990 — tree removal, trimming, and land clearing for homeowners, businesses, and state and federal contractors. We run a complete equipment line, including forestry bucket trucks, and we have more commercial work booked than crews to run it. “Customers for Life” since 1990.

THE WORK

- ◆ Operating **forestry aerial lift / bucket trucks** on tree trimming and removal jobs — positioning the truck, setting outriggers, and working the boom safely around structures and clearances
- ◆ Trimming and removing limbs and tops from the bucket with chainsaws and pole saws
- ◆ Working removals in tandem with climbers and ground crew — drop zones, lowering, chipper feed coordination
- ◆ Driving the bucket truck and chip truck/chipper combinations between job sites
- ◆ Daily equipment inspection — boom, controls, outriggers, and DOT pre-trip on trucks
- ◆ Winter: plow/salt operations and equipment support

WHAT WE'RE LOOKING FOR

- ◆ **Experience required** — aerial lift / bucket truck operation, tree care, line clearance, or comparable boom-truck work
- ◆ Confident running a **chainsaw from the bucket** and judging limb weight, lean, and drop zones
- ◆ **Valid driver's license required**; clean driving record
- ◆ **Reliable daily transportation required** — crews roll out from our shop at **880 E Kochville Rd, Saginaw**; you must be able to get there every workday
- ◆ **CDL Class B strongly preferred** (with or willing to obtain DOT medical card) — our larger trucks exceed 26,000 lbs GVWR; we'll help the right operator get there
- ◆ OSHA aerial-lift certification a plus — employer-provided training and certification available

WHAT YOU GET

- ◆ Employer-provided OSHA aerial lift training and certification — documented, done right
- ◆ Year-round, full-time work — home every night, no over-the-road
- ◆ Well-maintained trucks and a shop that keeps them that way
- ◆ A family company at it since 1990 — “Customers for Life,” crew included

PHYSICAL DEMANDS & WORK ENVIRONMENT

- ◆ Full shifts working from an elevated bucket, in all workable weather
- ◆ Handling saws and pole tools overhead; lifting up to 50 lbs at ground level
- ◆ Work near traffic, structures, and utility clearances — situational awareness is non-negotiable

\$20–30+/hour

Where you land in the range is dictated by **experience** — and by the things a resume can't show: **work ethic, intelligence, and how you carry yourself on a crew.**
