/hour

Heinz Tree Service & Landscaping has served Saginaw and all of Michigan since 1990 — land clearing, tree work, landscaping, hydroseeding, and snow removal for homeowners through state and federal contractors. We run a complete equipment line and have more commercial work booked than crews to run it. “Customers for Life” since 1990.

THE WORK

- ◆ Operating **skid steers** (with grapple, bucket, and brush-cutter attachments) on land clearing and site jobs
- ◆ Operating **excavators / mini excavators** — grubbing, stump and debris removal, grading, sea wall support work
- ◆ Running **brush chippers and loaders** on tree crews; **stump grinder** operation a plus
- ◆ Brush mowing and hydroseeding equipment support
- ◆ Daily inspections, greasing, and basic field maintenance — you treat the iron like it's yours
- ◆ Winter: **plow and salt truck** operations

WHAT WE'RE LOOKING FOR

- ◆ **Experience preferred** — real seat time on skid steers, excavators, or comparable equipment; you don't need the controls explained
- ◆ A feel for operating around ground crews, structures, and finished landscapes
- ◆ Valid driver's license required; **CDL a plus** for hauling equipment between sites
- ◆ **Reliable daily transportation required** — crews roll out from our shop at **880 E Kochville Rd, Saginaw**; you must be able to get there every workday
- ◆ Attachment experience (grapples, brush cutters, augers) a plus

WHAT YOU GET

- ◆ A year-round seat — clearing and tree work three seasons, snow operations the fourth. No layoff season.
- ◆ Well-maintained iron and a shop that keeps it that way
- ◆ All PPE provided
- ◆ A family company at it since 1990 — “Customers for Life,” crew included

PHYSICAL DEMANDS & WORK ENVIRONMENT

- ◆ Full shifts in and out of equipment — mounting, dismounting, ground work between cycles
- ◆ Outdoor work in all Michigan seasons; lifting up to 50 lbs
- ◆ Operating near crews and the public — spotters, mirrors, and awareness required

\$20–30+/hour

Where you land in the range is dictated by **experience** — and by the things a resume can't show: **work ethic, intelligence, and how you carry yourself on a crew.**
