

HEINZ TREE SERVICE

& LANDSCAPING · SAGINAW, MICHIGAN

SINCE 1990

NOW HIRING

GENERAL LABORER

GROUND CREW

Outdoor work on a real tree crew — year-round, including winter snow removal.

YEAR-ROUND WORK

WEEKLY CREWS ROLLING

WE TRAIN UP

SAGINAW, MI

PAY RANGE

\$15–25

/hour

Heinz Tree Service & Landscaping has served Saginaw and all of Michigan since 1990 — land clearing, tree removal and trimming, sea walls, landscape and design, brush mowing, hydroseeding, and snow removal, for individual homeowners through state and federal contractors. We're hiring because we have more commercial work on the books than crews to run it. Our motto is "Customers for Life" — and we staff our crews the same way we treat our customers: for the long haul.

THE WORK

- ◆ Ground operations on tree removal and trimming jobs — dragging and staging brush, feeding the brush chipper, operating hand tools, and site cleanup to Heinz's finish standard
- ◆ Setting up and maintaining work zones — cones, signage, and keeping the site safe for the crew and the public
- ◆ Supporting climbers and bucket operators — roping assistance, tool handling, ground spotting
- ◆ Land clearing and landscaping labor — planting, grading support, debris hauling
- ◆ Winter: snow removal operations — shoveling, salting, and equipment support

WHAT WE'RE LOOKING FOR

- ◆ **Experience preferred** — tree care, landscaping, construction, farm, or similar outdoor labor
- ◆ **Heavy lifting preferred** — routinely lifting and moving 50+ lbs of brush, wood, and equipment
- ◆ **Reliable daily transportation required** — crews roll out from our shop at **880 E Kochville Rd, Saginaw**; you must be able to get there every workday
- ◆ Dependable attendance — crews roll out on time, every day
- ◆ Valid driver's license a plus; chainsaw experience a plus

WHAT YOU GET

- ◆ Year-round work — tree season spring through fall, snow removal keeps winter paid
- ◆ Training on real equipment — a path from ground crew toward operator and climbing roles
- ◆ All PPE provided; well-maintained equipment
- ◆ A family company at it since 1990 — "Customers for Life," crew included

PHYSICAL DEMANDS & WORK ENVIRONMENT

- ◆ Continuous standing, walking, bending, and lifting outdoors in all Michigan seasons
- ◆ Regularly lifting/carrying up to 50 lbs and team-lifting heavier sections
- ◆ Work near loud equipment (chippers, saws) — hearing and eye protection provided and required

\$15–25/hour

Where you land in the range is dictated by **experience** — and by the things a resume can't show: **work ethic, intelligence, and how you carry yourself on a crew.**
